Aim of the training:

To understand the context of changes in the requirements of the PSA manual (SQM). To know all requirements and particularities of the APQP & PPAP by Stellantis Group. To understand the nature of expectations of Stellantis Group as part of a development project led with APQP & PPAP. To know your roles and contributions, the rules for the implementation of the APQP & PPAP together with your Stellantis representatives. To build your action plan to implement the new requirements.

Completion of training:

Training ends with the final exam (test/15 questions + 3 case studies).

Trainer:

Peter Varga – certified trainer (by Stellantis Group), working for TRIGO Slovakia since April 2016 as senior QEC (Quality Expert Consulting) engineer. Main activities are the customer audits on behalf of Stellantis Group (performed 90+ NSA /New Supplier Assessment/ audits for potential suppliers of Stellantis Group), customer specific trainings (Stellantis - APQP/PPAP, QIP V4 /QSB+, NSA/, CSR of Stellantis, etc.).
